

Bearings

- ✓ exclusively designed, developed and tested in Germany to meet future OE standards and specifications.
- ✓ developed to fulfil all high requirements of modern cars, trucks, and agriculture applications.
- ✓ designed to perform under extreme conditions and with durability to match only the highest OE standards and lifetime requirements.
- ✓ the best choice on price, quality and reliability.

Bearing Type	HC-CARGO single packed	HC-CARGO bulk packed	ID	OD	Height
336 2RS C3	140239		15.00	46.00	14.00
348 2RS C3	140461		15.00	38.00	19.00

Less friction - Less noise - Less vibration - Longer lifetime
